

WeRateDogs Data Analysis

About

WeRateDogs is a Twitter account that rates people's dogs with a humorous comment about the dog. The account was started in 2015 by college student Matt Nelson, and has received international media attention both for its popularity and for the attention drawn to social media copyright law when it was suspended by Twitter for breaking these aforementioned laws.

I have wrangled WeRateDogs twitter data and after analysing the data i found the following insights and I have plotted for easy understanding.

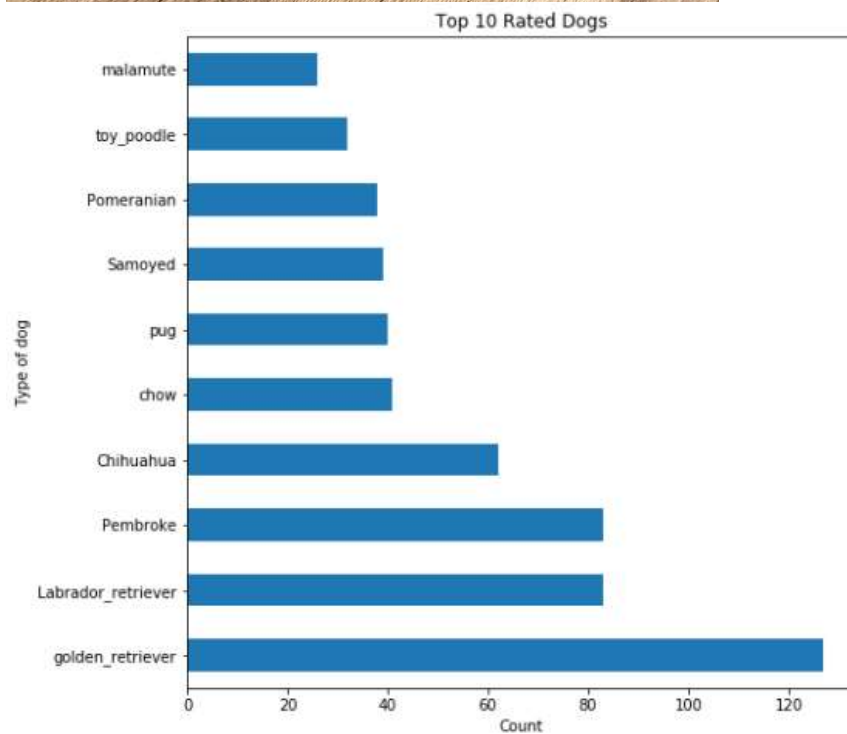

Most Common Dog Category.

WeRateDogs Twitter account has around 17K tweets and after analyzing 1.5k tweets pupper is the most common dog among others

Most Rated Dog

Among all other Dogs Golden Retriever is the most rated dog.

Relation between Favorite and Retweet counts

We can see a positive correlation between Favorite and Retweet count.
